**Re: Authorization under the Alaska Pollutant Discharge Elimination System (APDES)
General Permit AKG332000 - Facilities Related to Oil and Gas Exploration,
Production, and Development in the North Slope Borough**

Dear Mr. Herglotz:

The Alaska Department of Environmental Conservation (DEC), Wastewater Discharge Authorization Program (WDAP) is issuing authorization **AKG332041 – Colville Inc., Aviation Fixed Base Operations (FBO)** for the following discharges:

- Discharge 006 – Industrial Storm Water

This authorization is in response to an electronic Notice of Intent (eNOI) dated August 21, 2017 and becomes effective on September 1, 2017. A copy of this APDES authorization has been provided to the DEC Compliance and Enforcement Program (CEP). All correspondence with the Department regarding this authorization must include a reference to **AKG332041**.

Spill reports and violation notification forms can be found in the Attachment section of the Permit or at <http://dec.alaska.gov/water/wwdp/oilgas/>. Submittal requirements including Biannual Storm Water Inspections, Annual Reports (i.e. certifications), and all compliance notifications required by the permit must be sent to the following address:

Finally, thank you for submitting copies of your Storm Water Pollution Prevention Plan (SWPPP) July 2017 revision with your NOI. As a reminder, changes to limits and monitoring, Discharge Monitoring Report (DMR) submittal frequencies, annual reporting requirements, as well as SWPPP contents have been made under the reissued APDES General Permit AKG332000. The Department recommends permittees carefully review the Permit and Factsheet, then update any applicable Best Management Practices (BMP) Plan, Quality Assurance Project Plan (QAPP), SWPPP, and submittal schedules as necessary to reflect these changes.

If you have any comments or questions regarding this authorization, please feel free to contact Jamie Grant at (907) 269-4720, or Jamie.Grant@alaska.gov.

Sincerely,

Gerry R. Brown, PE - Manager
WDAP Oil and Gas Section
